A hands-on Junior Developer with a degree in fashion design and development, combining my creative background with strong skills in HTML, CSS, JavaScript and front-end design. I have hands-on experience in understanding and meeting user needs, and my goal is to translate ideas into actionable design solutions. I am excited to contribute my unique blend of creativity and technical expertise to create intuitive and engaging user experiences to deliver a meaningful impact.

## Work History

2023-06 –  
2323-09

### Junior Full Stack Software Developer

*Academy, London*

- Applying the latest full-stack technologies with an emphasis on using modern engineering workflows to ensure best practices and being engineering team-ready.
- Languages and technologies covered as part of the programme: JavaScript, TypeScript, React, Node.js, JEST, HTML, CSS, Express, SQL, Git.
- Adopting an agile workstyle completing team-based problems/projects and leading technical discussions and reviews.
- Building emotional intelligence and collaborating with a diverse range of individuals. Actively receiving and giving meaningful feedback to develop as a person and become more conscientious of my role and impact on the team culture.

2022-03 -  
2022-06

### Sales Coordinator APAC

*Threads Styling Ltd, London*

- Supported team of personal shoppers (APAC region) with all operational tasks
- Proved successful working within tight deadlines and a fast-paced atmosphere by managing on average 20-30 orders to ship to different clients daily
- Managing product sourcing and order return, with an average of £3000 per sales order, efficiently to ensure the client's highest possible shopping experience is maintained
- Provided a solutions-oriented approach to problems to prevent leakage and improve profit margins

2021-08 -  
2022-03

### Quality Controller

*Threads Styling Ltd, London*

- Inspected inbound and outbound luxury products for compliance with established industry standards, company policies and procedures to minimise errors and maximise customer satisfaction
- Facilitated quality standard training for new and existing staff

2018-09 -  
2021-08

## Quality Controller

RAEY, Matchesfashion, London

- Managed in-studio quality control
- Managed and archived quality documentation with 100% accuracy

2017-07 -  
2018-07

## RAEY Intern

RAEY, Matchesfashion, London

- Planned and managed deliveries between factories and distribution centre; created and amended computer-aided drawings (CADs) for workbooks
- Amended patterns and produced copies of patterns while also creating new patterns and toiles with given guidelines

---
